Sir,

Misc. No. 7

I am enclosing for your information
No 769 of the 25th of February last on
which I forwarded a return of the
Sundry Establishments & Contingencies
for this Division under the circum-
stances explained in Circular No 137 of
the 25th October last, & have now
the honor to forward for your infor-
mation the Commissioners return of the
remaining Establishments & Contingencies
under the same authority and circum-
stances and request the favor of your
obtaining sanction for their future
adoption.

2 The principle on which the
Surveys now required have been
carried out has been strictly in
accordance with the Commissioners
instructions as contained in Lord

of

of the Circular, a thorough, greater efficiency has been secured by dismissing corrupt and incapable worn out and unqualified servants and on the whole I believe that the result is satisfactory and that the general official ability of those retained is above the average.

At the same time care has been taken to avoid burdening the State with pensions unnecessarily and I have preferred in some instances to grant a trial where earnestly desired and where the punishment was, either from inexperience and known character, deserving of special consideration, and on others to provide pensions for abolishing a relative with the concurrence of the present holder of office on condition of retirement.

3 In the performance of this duty I have been largely and actively assisted by the District officers.

Of the ten Taloobs of the Shimoga District six have been ruled by Captain H. M. Elliott, of the eight Taloobs of Sudoor, Lieut. Gough has revised four together with all the Patels of his District; and in Chitteldroog where however former arrangements rendered less change necessary Lieut

Hill

Hill has got back one of the two
taskworks.

The question of the distribution
was not mentioned in this office from
the whole discussion and the instructions
issued in connection with this ar-
rangement are attended

4 I am not as yet prepared to re-
commend any change in territorial
arrangements either as regards geogra-
phical limits or classes of taskworks
(with the exception of the re-union of
the taskworks of Chatham & Gos-
and Lascapatam and the reduction
of the class of the Cudoor taskwork regar-
ing which a separate report has been
made) as it appears to me after much
consideration and the hearing of
numerous suggestions that it would
be difficult at present to secure any
really practical advantage by de-
parting from what has already been
so far decided on -

5 The police will require to be
rearranged and reorganized as a separate
department on the principles which
peculiarly affect its efficiency which
has already been indicated in your
letter No 157 of the 10th December last - In the
general revision the strength of the
police was fixed with reference to
the class of the taskwork and this again
was determined on a consideration
of its revenue and political importance

Thus

this subject will be taken up as soon as the reports which have been called for from the districts are received and considered with reference to the Division as a whole, a proposal for the requisite redistribution being at the same time submitted for the Commissioners approval.

6 As regards the working of the establishments or rather their relative strength and efficiency to the work required from them, no opinion is offered until departmental arrangements have been fully tested.

7 I beg to forward herewith as directed in your Circular No 137 of the 25th October last para 15, a roll of recommendation for pension on behalf of 2 Retd Mootsuddies amounting to Rupees 45-10-8 as well as a roll for gratuity amounting to Rupees 1083-12-0

Circular

Nuggur Division
Superintendents Office

27

From

Captain Reid to C.D.
Superintendent of the
Nuggur Division

To,

The Deputy Superintendents of

Sir,

By the proposed revision the total num of Shaikdars in the newly constituted Nuggur Div has been fixed at 130 – There are now 197 – 81 in the Shimoga district – 58 in that of Bun and 58 in the Chitteldroog district

The aggregate amount of Land revenu and moturpha Rs. which are the items of colle coming within the purview of the Shaikdars is

In the Shimoga District Rs 1093602
" Bednor " " 524252
" Chitteldroog " " 709708

Thus the average amount allotted to each Shaikda

In the Shimoga district Rs 13504
" Bednor " " 9039
" Chitteldroog " " 12236

In the year 1848 the Shaikdars in the Chit droog district underwent a reduction – It is no possible however to appreciate the results attendan by an inspection of the amount of collections a in some parts, the Inducd for instance the Jan for collection in consequence both of the number Status of the holders are much greater than i other parts of the Country – On consulting with those best able to form an unbiased and Soun

opinion

Jamma
an arrangement has been made and tabulated
showing what reduction it will be necessary to
make from the establishment of Shaikdars in
each talook of the three districts and in carrying
out this arrangement the Deputy Superintendents
will have regard to the length of Service of the
present incumbent as the best guide towards an
equitable decision of claims, the names of those
thrown out of employ by the reduction to be entered
in the form of a register for employment as
opportunities may occur - It will be seen that
in the district of Shimoga 36 reductions are
required, - in Kadoor 28 and in Chitaldroog
3 - total 67 -

In the two former districts the Shaikdar
circles, as revised, have been indicated with the
exception of the talook of Dawanagar which
the Deputy Superintendent will be good enough
to undertake in his own office, and in Chitaldroog
the Deputy Superintendent is requested to make
the necessary arrangements to admit of the reduction
of those Shaikdars from his district and report
to this Office -

As it has been found necessary to
make the above arrangements with reference
to the division taken as a whole a readjustment
of Classes must also take place and the following
distribution has been made of the classes of
Shaikdars available under the Revision, in
which an allotment proportionate to the claim
of each district has been made -

As stated above, (except where evidence
incapacitates) length of Service should regulate
nomination to the class as well as determine

the

the Reductions and in this Revision the Deputy Superintendents will be guided by the following allotment — To the

	1st Class	2d Class	3d Class	Total
Shimoga District	12	25	8	45
Cudoor "	5	10	15	30
Chitteldroog "	8	15	32	55
Total	25	50	55	130
Rs	20	15	10	

These instructions are to be carried out and reported to this Office without delay so as to admit of the abstracts being corrected from the 1st of the next month
